What it is

A revolutionary way to enjoy valuable micronutrients and plant extracts in an ultra freshly mixed drink with a simple press on the cap.

CLICK4MORE is a series of 10 different SHOTS from 3 different families (Health, Energy & Party).

All products come in 85ml bottles with a completely new, patented closure in which 5.5g of a highly dosed mixture of active ingredients are hidden.

How it Works

1. Twist

Twist the Cap to the notch

2. Press

Press to release the powder by using gentle pressure to push the cap down.

3. Shake

Shake to mix and activate the ingredients

4. Enjoy

Unscrew the Cap and Enjoy - your drink is ready!
